

CENTRAL COAST RESCUE MISSION

An Outreach Ministry of
RESCUE MISSION
Alliance

The Rescue Mission is looking to hire a Case Manager. The Case Manager works with the Program Manager to ensure Residents of the Life Recovery Program are able to accomplish prescribed goals that result in self-sufficient and sustainable life habits free from homelessness, addiction, and poverty!

A good fit would be someone with a counselor's heart who's a good coach/leader, has strong computer and organization skills and is passionate about discipleship.

Visit www.ccrescuemission.org/careers for more.

Thank you to CCRM for providing around 3,500 coats and warm clothing items to all the students at Delta High School. It was fun to host this event in our barn!

Delta's Prom

"We stopped renting at our last location, but still have safe housing open to victim survivors within safe homes in the community. We are able to offer much more financial support to help survivors with their needs. In the coming months we are planning to focus more on emergency stabilization housing, as this is where we are seeing a great need. I received a scholarship to attend a 90 day program that will help me grow in connecting with law enforcement, hospitals, etc. to be able to better provide emergency assistance as well as learn the current models being used with

victim survivors upon first contact. Most of the program is online, but I will spend a week in-person in Kentucky so I'm hoping to gain some sponsors to be able to afford the travel expenses. We're still believing for a house! But we don't plan on renting anymore. We're going to build up our bank account, keep safe housing and supporting victims, and allow God to move on our behalf." -Ellen Torres, director of Casa of Hope.

If you would like to help Ellen with her travel expenses, support Casa of Hope, or would like to help organize a fundraiser for Casa of Hope, please email ellentorres@casaofohope.org

Delta High School

Delta High School is an ongoing place we seek to share the love of the Lord throughout the year. Here are a few ways you can get involved currently.

RUANGOLD FAMILY
Missionaries in Thailand

THANK YOU ELEMENT!
20 SCHOLARSHIPS

Thank you to everyone who has signed up to sponsor a Thailand high school student to continue their high school education and job training. We are happy to be able to sponsor 20 students who will be mentored by Tom and Jing and will not only receive a great education to help them avoid trafficking and low paying jobs but will also hear the Gospel. Tom and Jing continue to work hard and see the fruits of their labor. They are running out of room in the village church and home group, and they have started a second children's center in another village. In April, they took a group of teens to a local youth conference and at the beginning of May they are taking more youth on a two day drive to a national youth conference in Chaing Mai. We are very happy to be supporting this growing and effective ministry and look forward to sending a team there this year!

 Interested in going on a short-term missions trip to Thailand? Come to our informational meeting: **Sunday, May 21st, 12:30pm.**

Ben Collins & Family.
ANTIOCH CHURCH PLANT IN SLO

"Easter was a PARTY and such a happy day for Antioch! A number of people, friends and neighbors, heard the good news of Jesus alongside us and then celebrated with us for hours afterwards. We are wrapping up our study of the Gospel of John and it has been transformational for so many – myself included! In May we'll be preparing for our first baptisms and child dedications at Antioch on Sunday, May 21st! God has been SO faithful and we are so excited to celebrate so much of the eternal work he has done."

Pruett Family
ETHNOS 360 | ARIZONIA

The Pruett family, missionaries stationed on a helicopter training base in Arizona have been busy! In March, Brian and Bailey traveled to Brazil together to do training for the team there.

- In April, Brian traveled to Papua New Guinea to conduct flight checks with two new helicopter pilots and to take and pass his own exam with the PNG government.
- Brian also just finished training his newest student, John, who is now headed to Papua New Guinea.
- Brian will be headed to Brazil at the end of May for more flight checks with a new pilot there and he has a new student arriving for training at the beginning of June.
- The kids continue their biking and the boys have started playing baseball on a team as well.
- They just competed in a 10-hour mountain biking relay race and won 1st place!. Maycie competed with 3 of her friends on an all girls team, and they won 3rd place!

Prayer requests:

- *Brian's two trips to PNG, two trips to Brazil and one to the Philippines. Pray for safety and endurance as these trips are very fast-paced with lots of training to squeeze into a short time. Pray also for Bailey and the kids at home!*
- *Bailey as she begins homeschool planning for the coming year.*
- *The four new families who have just completed their training. They will now need to finish building up their support base, attain visas and say goodbye to their families.*

Interested in going on a short-term missions trip to Arizona to support the Puetts? Come to our informational meeting:
