Questions for Leaders to Consider...

- *What tools might help you lead each person into further growth?*
- *How is the structure of your current GC helping/hindering your growth across these measures?*
 - *What potential changes could help in this season?*
- *What can you celebrate with each person in your GC, regarding their understanding/practice of mission?*
- *How will you follow-up with your group to discuss/pray about these assessments?*

Next Steps

We invite you to pray about how God may be leading your group's next steps in light of this assessment. Talk with your co-leaders, discuss in your leader cohort, and/or feel free to reach out to Michelle to brainstorm potential ideas as well! While this list isn't exhaustive, here are some ideas of possible next steps for each aspect of mission:
